# Flirting with Beast Girls Chapter 1

**Copulation flirting with the dog eared big breasted beast girl!**

「Hello! Onii-san」

「Un. Welcome. Then, should we start?」

「Un!」

The world where us Huma live in had been connected to the beastmen country for some dimensional distortion from an unknown force recently, and it made possible to come and go freely.

It's a common fantasy story that it might not be strange for the beastmen to invade our world for a new frontier to begin, but it seems to be different, apparently, majority of the cute beast girls are wishes for men of other race and courted them.

Though it became a huge problem to shake the society at first, it's now protected by the Japanese government that's having a low birthrate problem which matched the interest of the beast men who wants to prosper offspring, thus girls are sent to unmarried men's house to make children.

Though they're beastmen, they're not densely furry, their appearance is almost like a normal human woman with sexiness coming out of them, it's only to the degree of having ears and tails. You can't tell them apart if they hide it with hat and clothes.

But, most of the beastmen are friendly, fond of fawning and cute.

So, when I took out my dick in front of the dog eared big breasted loli, she kneeled and opened her mouth deliciously.

She's sucking it gladly even though we don't know our names yet, Even I feel good too...Me at the age of 25 don't have normal woman is now wanting to make love with a beast child.

If the beast child made your dick erect, she'd be happy and you'd spend your life together if she get pregnant.

That's why Japanese men work hard to have sex with obedient beast girls every night.

「Hey, what's your name?」

「Nnn. Chupa...I'm Papi. Nn. Delicious」

「Same here...! Sorry for the late introduction but, I'm Sudo Keisuke best regards——!」

「Nn——!」

At the same time we tell our names, I released a cloudy liquid inside Papi's small mouth, throwing in my semen.

「Keho, Keho. What an amazing amount. Did Onii-san not masturbate recently?」

「Yeah. Papi is too cute that I let it all out」

「I'm glad. Papi loves people with strong lust!」

She clings into me with her small body and swing her tail. Though she has a small body, her large emphasized breasts hit me, my son that just let out a while ago is now ready to go again.

「Ah, it's hard again even though you just game! I'm glad」

She rubs her cheeks on my dick gladly.

「What about Papi's cunt?」

「Hyan~ I love it when you whisper in my ear. It makes my heart thob」

While licking the cute dog ear that pops out of her semi-long gray hair, I massage her breasts that's inside her white sleeveless, I hid my finger inside the skirt with a hem that contains a black and red pattern.

Then...

Her genitals are already making a huge flood even though it's not touched, touching it a bit already made Papi twitching, she looks wistfully while her cheeks are blushing.

「Uuuu. Haahaa. If you touch me like that, I would come to want it」

「What do you want? Say it」

「Onii-san's...Onii-san's penis! I want penis!」

「Very well. Then let's copulate」

「Un! Copulating with Onii-san!」

We're copulating immediately after meeting at the door. Being carnal is the best. Rubbing each other's genitals if they like each other, it's an impossible situation for humans. In truth, I've put it in on various beast girls while embracing them gently.

「Agu!」

「Did it hurt?」

「Un. Just a bit. It's my first time so...Papi is now a splendid female. I'm really glad」

I gave her a kiss to ease her pain a bit, then we sucked and rolled our tongues. It got lewd again and it sends an electric shock.

「Want to take a rest?」

「No. I'm already fine. Onii-san should move to make yourself feel good」

「You sure?」

「Yeah. I want you to feel good inside me」

The smile directed at me made my heart throb, it made me unable to endure so I pound my hips hard. The wet sound echoes from the entrance, I think I lost my reason that I don't even know who's the beast here.

「Aaa— . lll— . Onii...san. Haahaa Too intense」

「I feel good too. Papi's insides are slippery and tight, it's the best」

「I'm glad. Papi and Onii-san...Haahaa. are compatible?」

「We're feeling this good so I guess It's surpassing that」

「Uuu. Onii-san's penis got bigger...I can't endure it anymore」

「Are you already going to cum?」

「Un. No good. I might not be able to endure it...Onii-san...onii-san!」

「I'm cumming too! I'm cumming inside Papi」

「Come, inside Papi...Uuu. Lots...cum lots—!」

I gripped the swinging chest while shaking my hips, when I felt the ejaculation approaching, I threw a powerful stroke at Papi. We both reached the heights...

「「Cumming!」」

I released semen inside Papi that you won't think it's the second time. Papi falls over me exhausted and I gently kissed her.

「Papi, it felt good」

「Same, Papi felt good too. Onii-san I love you!」

Her tail and ears are swinging, she embraced me hard happily. Her smile is really cute. The best beast girl came into me.

I want to be with this child forever.

I who felt mutual feelings with Papi hugged her tightly while feeling glad.

# Flirting with Beast Girls Chapter 2

## Papi Paizuri in the bath!

「Uu. cwold~」

「Sorry, Papi. I'm preparing hot bath right now」

「Ah, it came」

「Okay okay, let's wash then」

「Un!」

We who confirmed our compatibility by copulating at the entrance instead of greeting, steeped into the bath together after we thrust out sweaty clothes to the washing machine.

—Papi shakes her body with water flowing in her body from the shower, along with the sound of hot water coming out, she had a charmed expression while sitting on the chair.

Her head was washed with a shampoo then her tail is flapping happily and she faced me with a smile. That gesture was too cute that my heart went kyun~

「Wa— Onii-san, it feels good」

「Papi likes to be washed in the head?」

「Un! Papi is glad when Onii-san pats me」

「I see, I see. Then I'm going to flush it so close your eyes」

「Un!」

Her obedient reaction is cute. Flushing away her hair, I scratched the root of her ears that's fixed on the calvaria she twisted her body and her cheeks blushed as she say 'Ticklish' That appearance is too lewd that I can't endure it.

She shook her head when her head was finished washing, big drops of water flew out to my eyes and she smiled saying 「Thanks, Onii-san」 That smile is so pure that it makes my heart throb.

「Then I'll clean your body next」

「Un! Onii-san will wash me again?」

「Okay」

「Yay!」

Thrusting her arm up, she also flapped her feet, showing the happiness in her whole body. She's really lovely. The big chest of Papi vibrated from that motion and it shook plumply.

Oh, the thought of massaging this chest using washing as pretext makes me excited.

Diligently washing her upper arm, armpit with the towel, I finally massaged the big breasts that's pushed out in her front.

At first Papi felt ticklish from my deliberate washing using the towel but her crotch tightens and she began to spit out a sweet sigh.

Her nipples began to stand out because of arousal, I deliberately flipped, massaged the point matching with her big breasts.

「Haahaa...Onii-san...you see. Papi feels strange」  
「What kind of feeling is 'strange'?」  
「Papi has her heart throbbing because of onii-san, See!」

Thinking that she grabbed my hand to rub her breast, Papi put it near her heart. It looks like wedged in between the breasts, it rebounds softly and made a deformation, Papi insisted my hand against her chest.

If you do that I would be reaching my limit, my son is towering already, preparing for war.

「Onii-san got aroused too. I'm glad. Papi too...nnn. Wants to make Onii-san feel good. What should I do?」  
「Then, would you sandwich it between those big breasts?」  
「Sandwich?」  
「That's right, just like this」

「Hya! Onii-san's penis got inside Papi's breasts!」  
「That's right. Then, move」  
「The tip is coming in and out of Papi's breasts. Cute」

Applying pressure to her breast using her arm, the breast strokes the penis with pressure. I'm going to cum if this continues for a while but I want even

more stimulation.

「Papi. Can you lick the tip?」

「Un! Papi wants to lick Onii-san. I'm going to make it feel good with my breast and tongue, okay?」

「Agu!」

After directing a cute smile, she licked deliciously the glans that come out of her cleavage, the stimulation that's too pleasurable runs through my brain.

The pleasure was too good that it can make me give up easily, I increased the speed of the piston.

The alluring stimulation rise up that I'm reaching my limit...

「Papi...cumming!」

「Uuuu, Hyaaa. Warm. Onii-san is releasing a lot of semen」

「Sorry. I got it on your face」

「Don't be. I'm glad. Papi is glad that she's able to make Onii-san feel good」

Her ears were moving nimbly and her tail was flapping, Papi that's clinging to my goin hard is too cute that it's unbearable.

# Flirting with Beast Girls Chapter 3

**Hanjob from the back and happiness from bath love chu chu!**

「Onii-san, Onii-san!」

「You like this position?」

「Un! Papi loves this position!」

Immediately after Papi made me ejaculate with her chest, she's rubbing my dick on her cheeks, groped and stroked it with greedy eyes.

It feels electrifying as I just came but it towered greatly again after being touched continuously.

I don't know whether it's because I've abstained for this day or just because Papi is unbearably cute but I regained hardness again.

As soon as she saw the genital entering attack mode, Papi had the pole on both her hands she looked up pleading. 「Papi want Onii-san's penis inside」she said.

She's anticipating while swaying her chest and blushed cheeks, I want to answer her feelings. I made Papi put her hand on the edge of bathtub and had her ass point into me.

Her expecting eyes says 「Put it in, put it in」and her ass and tail sways. I held her fluffy hands firmly and I when I rubbed the tip of the glans, she's already soaking wet.

—The moment the genitals rubbed each other, it easily went inside Papi along with a wet sound.

Her body shook for a moment from the pleasure, then I enjoyed copulating while banging her from the back which had flowed my movement. Every time I pierce her she releases a 「Haahaa」sweet voice, That appearance of calling me is unbearably cute.

「Nnn! Onii-san is hitting...hitting so deep!」

「Isn't Papi's uterus going down every time I pierce it, See」

「Hyaa! Papi is being electrified....Ahn~ Ah, Ah!」

「Every time it hits so deep, it tightens cutely」

「...Haahaa. Onii-san Papi is. Papi can't endure it anymore. Can I cum?」

「Go on. Papi is a good girl because you confirmed it first」

「Ah, Ah. Because...Ahn~ Onii-san is my...Uuu. Papi's master. Papi is a good girl? Ah Ah. Onii-san I love you. Ah, No more! If you do that fast, Papi will cum. Cumming」

「Then Cum! Papi!」

「Cumming!」

Immediately after, her whole body convulsed. She can't maintain her posture so she fell down on the washing board. Her vagina is trickling and releasing like a fountain, It's convulsing.

Holding her flushed body, I stroked her head.

She's 「Haahaa」 breathing hard for a while but when she had settled down she released a 「Kuun~」 sweet voice, she voluntarily cling to me and licked my face.

「Papi, it tickles」

「Papi is glad that she's being loved. Papi is at bliss」

「Same」

We smiled and snuggled. While applying shower so we won't feel cold, I washed every corner of Papi's body this time. Her delicate thighs and lovely fingertips. I washed her crotch to clean it beautifully.

Though she's being fidgety, It's my job to keep her crotch clean so I used my hand to push my way through. Washing all of the corner of her body we rinsed off the bubbly Papi, when I twist the shower again.

「Wait!」

「N?」

「You see, Papi, Wants to wash Onii-san's body!」

Saying that, the bath mat was spread and she urged me to lie down there. As I don't have any reason to refuse Papi, I laid down and faced upwards then Papi covered me from the top.

—Using her breast and soft fair skin, she washed my body gently. Like washing me using arm and hands, she sandwiched me using her big breast, I got hard from the feeling of her breasts and in the end she stroke me with her cute hands.

「Onii-san. Does my hand feel good?」

「Un. Very much」

「I'm glad. Then, I'm going to make you feel more」

「Wait! Agu Feels good」

The speed of the piston increased and the entire pole and glans were being massaged. Papi brought her face close to the liquid coming out of the tip curiously.

「Papi, I'm cumming. It's coming out」

「Really? I'm glad. Let it out onii-san, Papi will take it!」

「Uu!」

Her eyes are sparkling, she opened her mouth wide to accept my ejaculation and she accepted the semen that flew out seeming delicious, when she confirmed that I let it all out, she gulped it down.

「I love this Onii-san」

「You drank it? Thanks」

She swings her tail while smiling, I hugged Papi hard. Rubbing her back while saying 'there, there', we felt really happy.

# Flirting with beast girls Chapter 4

## Flirting at the park!

After Papi was clean clean in the bath, we put on our clothes and rolled together on the living room.

「Fuu」, while I stare at the ceiling lying down, Papi sat on my top and licked me and rolled and purred energetically.

Could it be that the play wasn't enough? The moment I thought that.

「Should we go for a walk?」

「Un! Let's go! Papi wants to take a walk with Onii-san!」

Her curled short tail wagged furiously and she hugged me gladly. After hugging me tightly and patting her head, we held hands and went outside.

Though it's the first day of fall in the calendar, there's no sign of fall and it's scorching hot outside.

I became exhausted immediately but is there no concept of heat for Papi? Or is she just too happy that it does not matter for her?

That time, passing through the housewives going 「Wa wa, wa wa」, Papi suddenly stopped on the Shiba Inu that's sticking out their tongues happily. When I asked what's wrong, she looked envious...

「Onii-san. Papi also want that」

「That, collar?」

「Un! Papi wants to be led by Onii-san too!」

「But, Papi can speak and can listen to me right?」

「Buuuut...」

The small body that's only to my shoulder looked up to me timidly, her tail also fell down. She licked my hand, begging.

While looking at me with her cute black teary eye, I combed her head saying 'Can't be helped'

「Okay. Should we go buy then?」

「Un! I love you Onii-san!」

Upon saying that, she regained her vigor again, her ears are standing and her tail is wagging happily. She licked my face that with all her best and not trying to let go of me.

Her breasts hit me softly and the smile doesn't die out. Papi is truly pure and innocently cute.

Nowadays, there are shops for beast girls lined up throughout the town. Clasp my hand to the nearby store, we made our way while cuddling.

There are specialty stores of course but, we saw a pet shop that's also a general store for beast girls in the middle of the way, Papi pestered me saying 「I want to go in, I want to go in」

I agreed immediately and entered as there's no reason to refuse her, we looked inside the store with a smiling face.

There are various cute pets inside the cage and, there's one puppy that's yelping inside the acrylic cage, it climbed the ball and plopped down, it's messing around, chasing it with tottering short legs.

While looking at that very cute appearance, Papi carried one and patted it.

「Papi, you like this one?」

「Un! Because this child has the same scent as me. See!」

She presented the Pomeranian while smiling but I can't distinguish the scent.

But, the ear and tail are certainly distinct, I can understand that it's alone because of her feature that only has a 140-150cm as height.

Afterwards, while Papi was being engrossed by playing with the puppy, I searched for a collar that suits Papi on the meantime, When I put on a red collar secretly, she made a 「Hyaa」cute surprise.

「I think it suits Papi, how's that?」

「I'm glad! Papi likes red!」

「Then let's go with this」

「Un!」

She lick my face while repeatedly saying 'I love you, I love you', her small ears are standing tall, the tail moves quickly as if excited.

I was about to remove it to checkout but her eyes went teary as she doesn't want it to be removed after being worn once, I finished paying at the register while it was attached to her neck, when she said 「I want it, I want it」on the frisbee that's near the register, I think it's not normal to refuse it so I warned her gently「Just for today」and bought it.

The government provides living expenses for the beast girls so I decided to overlook it a bit.

After going out of the store, I hold the collar in my hand as she pestered me to lead. But, Papi's hand is also on top of it.

Honestly, I feel that my body can't lead but since Papi is looking at me with fascinated face, let's try it.

I patted her head saying 'There, There', When I took out the Frisbee I bought from the bag, she cutely chases the Frisbee using her sparkling eyes so we went and play to the nearby park.

Though the park is wide open and there are various races of beast girls that are pets jumbled together, Everyone is playing with their owner and partner happily. I'm no exception...

「Let's go Papi?」

「Un! I can go anytime Onii-san—」

「There!」

I threw the Frisbee powerfully, Papi chased after it happily, she caught it before it fell, jumping alone, she returned running.

「Onii-san, another, one more!」

「Okay. There!」

That condition was encored over and over again, when the sun has set we cuddled together on the bench as we're tired, Papi was 「Suu, suu」, began to sleep breath cutely.

Her gentle expression puts me at ease. I brushed up her bangs and patted her

head. Her ear moves and tail swings occasionally, what kind of dream is she having?

It's irresistibly cute, I confirmed that there's no person in the area this night, I kissed her gently.

Though she's probably unconscious, she smiled then mumbled some words then she leaked out a sleeping sound again.

I can't endure that Papi so I 「It's okay just for a moment right?」, I put my face close and sucked her lip hard, massaged her breasts and gently stroked her thighs.

Every time I do it she reacts a bit, as she's still sleeping I patted her head and said 'there, there', the moment I carried Papi to return home, I thought that there's something pinching me hard and when I looked, It was Papi with teary eyes and holding her finger in her mouth.

「Did I wake Papi up? Sorry」  
「No. Papi is glad that she makes physical contact with Onii-san. I want more. No?」

She begged cutely, I unconsciously swallowed my saliva.

I can't possibly endure it if you say that, there's no human can, if they do then they're a saint. I who's driven by my desire looked around the vicinity restlessly and found a dim bush at the corner of the spacious park and brought in Papi.

Papi had guessed it too so she went together, I rubbed my arm on her chest constantly while holding her hand firmly. Then, I'd made the holding hands hit her crotch.

There's faint moisture felt when Papi's crotch was hit, it seems that she's aroused. I lightly laid her down the ground to not hurt her, slowly, Papi's lying down mouth melted sweetly and we confirmed our love.

「Papi」  
「Onii-san. Come」

There's no other words needed. We made love on the park in the silent night.

# Flirting with Beast Girls Chapter 5

## Night Park! Unable to bear it so we flirt and copulated!

Having sex while hiding in the bushes is the best.

The unease of 'Would we be seen by someone' is dazzling exciting. But, it's probably because of that immoral act so we're getting fired up.

Both of us are desperately trying to endure our voice while indulging in the act. Papi had her body convulse over and over again from the climax along the way and i have enjoyed it.

「Outside sex feels good?」

「Haahaa...Papi...nnn! I love it, I love doing it outside—!」

I bang her while she kept embracing me hard. Papi likes it in the entrance so I rub my glans quite shallow and her pussy tightens cutely.

「Onii-san...Haahaa, Papi might not be able to endure it anymore」

「N? eh, Wait!」

She pushed me down looking charmed and the situation reversed., Papu is now riding on top of me and she slid it in. Thinking that her face might come out of the bush but Papi moved her waist not minding her surroundings.

「Haahaa. Ah...Onii-san, Haahaa...only pierced Papi's entrance, Nnn~ I wasn't able to endure. Haahaa」

She sticks her tongue out and she showed a disordered blushing face I've never seen before.\ Her tail and ears are moving nimbly, I wonder if it's excited.

The tail touches my balls occasionally feels good, her vagina goes squishy, she nails her waist vigorously and I feel that the ejaculation is rising.

「I'm about to cum」

「Go on...Papi to. Naah, I'm already at my limit...Haahaa. Come, pour Onii-san's hot stuff」

She pleaded me cutely, I gripped Papi's waist as I can't endure it anymore, I pushed my penis to the root— the moment I kissed the uterus that's madly in

love, it sucked my glans strongly.

「「Cumming!」」

I squirt out the semen to Papi and her body convulse in response to the pulsation flowing.

After that, she fell down as she lost power and I who let out everything gave her a kiss and embraced her with a smile.

We had confirmed our love to each other under the starry sky of the quiet park.

---

# Flirting with Beast Girls Chapter 6

## Flirting with the melting milk bar!

Calming down my flushed body, I looked around restlessly from the bushes and when I confirmed that there's no one, I soothed down my chest.

—Papi feigned worry but her tail doesn't move and she doesn't smile at all. If you look at me with that face I'd probably think too hard of it.

「Onii-san. Ehehe」

「What's wrong?」

「Nothing. I just wanted to call you」

Holding the hand of Papi, we returned home as there's someone who might come. Even I just met Papi I had a date with her today, we continued it several times inside and outside the house. Even I am surprised that I feel dizzy.

Thanks to that, our clothes have become sweaty and Papi clings her sweaty body into my clothes. The heat of summer is quite severe yet I think this is okay.

「We released quite a lot of sweat」

「Un. Let's go to the bath again!」

「That's right. Let's eat ice cream after taking bath」

「Papi knows that. It's sweet and cold right? You have some?」

「Yup. I bought milk ice cream yesterday. I hope Papi likes it.」

「Papi looks forward to it. Hey, let's go home, home!」

「H-Hey. The ice-cream won't run so don't pull me」

Papi pulls my arm and doesn't want to let go. We entered bath immediately after coming back, we deliberately scrubbed our bodies.

We washed our body and hair that's filled with dust and while we're soaked into the bathtub, Papi swing her head happily while chanting 「Ice cream, Ice cream」putting her hand on the edge of the tub.

Since I felt awkward to make her wait too much, we rose from the bath after moderately warming our bodies, I put on a white T-shirt on the air conditioned

room and dried my hair with the breeze of the electric fan.

She's been speaking Ice cream a while ago but she found the blades of the fan interesting so she moved her face matching the fan. I glanced at the cute appearance of Papi and when I put on a candy I bought the other day to her check quietly...

「Hyaaa」

「Feels good?」

「My cheek felt cold?」

「Here, eat. It's chilly and delicious」

「Thanks! Onii-san. Itadakimasu」

「Hey hey, eat neatly」

「Because...chupa. Papi likes, nnn. to suck it like this. Uuu, cwoold」

When I presented out the milk Ice cream, Papi leaned forward and began to lick it with her mouth. She's making a lewd face as if she's sucking me off.

Still, it's sweet and melts in your mouth, applying a hand on her cheeks sometimes while groaning is very cute.

「Zuchu...haun. The tip is...nnn. Melting, it's getting slimy, Onii-san」

「If you suck it that much then it'll be like that」

「Because~ It's delicious. Chuchu」

「Papi really licks it dirtily. Just seeing it makes me aroused」

「NN. Onii-san. Papi...chuchuchubu. when I suck to eat the Ice cream...rero. Onii-san...ngu. Wants to suck it too?」

「You want an indirect kiss?」

「Un, with Onii-san. Nnn...Kissh, I want...haa, an indirect kiss」

「It can't be helped」

I pulled out the melting ice from Papi's mouth and a string of saliva was made, I immediately hold it in my mouth before it drops and the ice became that's mushy was swallowed.

She's being glad that the ice cream she's been holding on her mouth is being shared right now, she looked at me charmed, she squirms and thrust her hand on my trunks and the immediately took it down forcefully— She wrapped my

penis with her mouth that's been cooled by the ice cream.

I leaked out a voice instinctively from the greatness of the situation.

「The feeling of Papi's mouth」

「Chupu...haan. Onii-san...I love this lower part...Haahaa」

「That's sensitive」

「I'll make it feel good...chupa. using Papi's mouth. I'll make it feel good!」

It feels good even if you don't say that. The pole and glans is being licked persistently, when she finished, she began to suck the urethra. I can't endure the stimulation of the unusually cold mouth then...

「Cum! Cumming—!」

「Nnn~」

The semen gushed energetically and Papi had sucked it with her mouth vigorously. She gulped it down when it finished splashing and she showed the inside of her mouth to prove that she drank it all.

After seeing the lovely small canine, she looked up to me with wagging tail. A big smile corresponds to her mood. Cute.

「Onii-san, did it felt good?」

「Yeah. It's the best」

「I'm glad! Papi was really glad to see Onii-san's happy face」

Her tail wags and hit the ground. Was I really smiling that much? Thinking about it, if Papi says so then it is.

Looking at Papi that's rolling on the floor, she licked my face and exchanged kisses.

「Which is better, Indirect or direct kiss?」

「I love both. But I like this Papi more」

「Nn~!」

She was surprised for a moment the tongue was suddenly screwed in but her small tongue answered my thoughts and we sucked each other, Papi also repeatedly went in and out, making violent splashing soundl.

It's like we're doing sexual intercourse using our lips and tongue, we repeated

violent insertion and removal.

「If you do that much, I'll want to do it again」

「Papi has been like this since a while ago」

She put my hand on her pussy and she appeals how her intimate part wants my symbol as a man.

I consoled Papi for a bit and I hid my finger on her vaginal wall that's filled with warmth. As expected, she's already this wet that she's ready to copulate anytime. That's how unnecessary foreplay is.

But, I thought of making love with her using with my finger once so I played with her cute small clitoris with my thumb and my index and middle finger deliberately rubbed her Gspot.

Did it enter a key point of Papi? Her body trembled as she hugged me and she kissed me with her blushing face.

Still, I repeatedly caressed Papi's meat pot and the depths of her vagina tightens my finger, I knocked her over and over again.

「Ngu. Onii-san. No, Papi's going crazy...Aaa! Ah, Ah—!」

The moment she raised a big scream, she released a tide and had ascended along with a sweet sigh. 「Papi. Papi?」I called through her hollow consciousness but it seems she doesn't hear me.

I'm unbearably happy as she came with my finger. I think I understood Papi's feelings a bit. Embracing the small body tightly, we stayed together like that then fell asleep.

# Flirting with Beast Girls Chapter 7

**Flirting on the train! Love date together in the sea!**

「Onii-san...that's Hyau」

「Your nipples are already this hard, you're tha happy?」

「Haahaa...Because, ngu. Becauuseee...」

The heat scorches, the TV program keeps on flowing (Did Papi open it while I was sleeping?)—Waking up from the feeling of lick on my cheek, Papi was 「I want to stroll」and fawned over me, since it's summer I decided to make summer memories on the nearby sea.

I thought of doing a normal stroll at first but, I patted her head while blankly watching the program in the television and she was 「Onii-san, what's wrong?」 looking up to me, 「Let's go to the sea?」, I said it half jokingly.

Due to the unexpected happenings, the sun shines brilliantly and the sea breeze feels fragrant while we're seating on the box seat, Papi was sitting in front of me first but when I noticed, Papi is already sitting next to me, rubbing her cheeks.

I intend to pat the cute appearance of her at first but I can't endure the soft feeling on my upper arm as we're in a situation where no one is, I incidentally grabbed, massaged and squashed her breasts.

Papi had her body tremble in surprise first but her body began to stick to me even more.

Her sigh is sweet and her tail wags like a spoiled child.

「Papi is really spoiled.」

「Onii-san is...Nnn. Onii-san is teasing Papi after all

「Teasing? Like this?」

「Higu. Au. Papi won't be able to endure it anymore」

I twist her nipples as I got into it, she brought her face close and gave me a

sweet warning. But that face says the opposite 「I want more」 That's why.

「It's okay. There's no one here」

「O-Onii-san. That's...Higu」

「Papi likes to be teased here?」

「Love...Haahaa. You see, that's Papi's weakest place...」

「See, it got drenched? Is this Papi's sweat? Or...」

「Nooo~ Don't say it...Nnn~」

Every time I fiddle with her crotch, the water gradually grows, can't she endure it? She pressed my hand with both of her hands, trying to get away from the stimulation.

「Haahaa. Onii-san, Kiss. Let's kiss」

「Can't be helped」

The moment our lips touched, her back bent and she moaned, it seems that she came lightly. Papi's important place even got wetter that her white panties water absorption is lost.

「Haahaa...Papi Did her best suppressing her voice? Good girl?」

「Clever. Good girl, good girl」

「I'm glad」

Patting her head as she looks pleased, she hugged me tightly. Papi also wagged her tail seeming happy.

While we play and flirt on the car where no one is, we gradually reached our destination. We fixed our clothes hastily along with the announcement and got off on the stop. The blue sea and white sand appeared after the train passed— On back is the fresh and green mountain surrounding, the very picture of a resort beach.

Papi's eyes brightened, she pulled my hand forcefully as she's excited. 「You don't have to hurry」and I had calmed her down, Still she's curious of the waves that's going to the shore and back, she ran straight to the beach, enjoyed the spray of water and looked back at me with a smile.

「Hey hey, you'll get wet, Change into your swimsuit first」

「Okay. Let's play after I change. Let's play in the sea!」

She ran energetically back to me, hugged me hard then licked me. This isn't bad at all. Turning her sparkling eyes, Papi felt excited on her rental suit and urged me to the dressing room.

At first she was 「Onii-san come with me? Papi will dress up」and pestered me, but a man like me shouldn't be on the female dressing room as expected so I 「Papi should go change alone and we'll eat shaved Ice cream after」then she gladly went in feeling relieved.

But does Papi know shaved Ice? I thought but, she probably had guessed that it's something like a delicious snack so she faced me with a smile, she probably knows.

Meanwhile, I changed my clothes in a hurry, while I was taking my time under the parasol I rented from the beachside, a cute voice called 「Onii-san」from behind and when I turned back, Papi appeared with a dazzling white bikini that's clearly showing her body line.

Her big breast is covered with a thin cloth and the cleavage was clear. Slender waist and captivating long legs. Even if there's an event that's going to happen in the sea, I am obliged to do it whether I like it or not.

# Flirting with beast girls Chapter 8

## Flirting and copulating in the sea!

Papi revealing her unbearably cute appearance, my crotch rise like the sun. That's how unbearable the charm of Papi is.

Gulping down my throat, I looked at Papi intently...

「Onii-san, let's go!」

「Go? Wait...uwa!」

She took my hands and took me to the sea forcibly— the feeling of the cold water touching my feet is great. Making progress to the deeper part, Papi suddenly turned around and 「Ei!」and splashed water to me.

「You've done it. There!」

「Hyan~ Onii-san it feels good! More, more!」

Papi shakes her tail happily making a splash, her twisting body oscillates and it makes her breast shake, it makes me feel in suspense. That's why...

「Wawa. Onii-san, onii-san!」

「I'm clinging to Papi」

「Spoiled onii-san is cute too」

I attacked her and the two of us fell down the sea, raising our faces, floating and the pleasant buoyancy and the gentle soft feel. But there are matchless people admiring Papi, if these kind of things are shown, it's man's nature to want to massage it.

I turned my waist and sneaked into her soft waist. When I touched it she was 「Onii-san is lewd」and her cheeks blushed, as I massage her, it seems that she's unsatisfied so she wriggled her waist, she rubs and lets it hit the pleasure points.

In a situation where there are no people even from afar, ethics can't interrupt us. But, such a thing won't even breakwater for us now. Our lips crawl as if mutually seeking each other, isn't that natural? I thought of that way.

「Nnn. Chu. Onii-san, I love you」

「Me too」

Our tongues gently embraced each other. The moment our lips pile up, we sucked each other. With the wet sound of the waves, the gentle sound is as if welcoming our act.

「Haahaa...Papi. The itching doesn't stop」

「Why?」

「Because, nnn. Onii-san is cherishing me all the time, that's why...also You made papi wait in the train too」

「You endured it well. That's great」

「Un. Actually, I want us to change clothes together. NN」

「You invited me that much」

「...That's why. I want Onii-san now. It's already painful」

She's looking at me greedily, I sneaked my hands on her crotch and I can feel moisture and viscosity clearly different from the seawater. Furthermore, it's flooding.

「Papi wants Onii-san to be rough with me!」

「Ah, wait!」

「Onii-san got bigger...Haahaa. This is going inside Papi right now...I'm glad」

Papi undauntedly thrust her hand inside my pants and stroked my penis with her hand. It's not movement to invite me. She's rubbing it violently, she's moving to make me ejaculate— If yo do that much, my reason would be blown immediately, I who got worked up, took off the defense of her important part and mercilessly put it in.

「Aaah—. Onii-san came in!」

「Hey! Your voice is too loud」

「I'm sowwy. But you see, Haahaa...Papi is so glad, I'm unable to endure it. No good?」

She tilted her neck and asked for confirmation. I won't be able to endure it if you asked me cutely, when I noticed, the waist has been moving unreasonably.

The waves and the waist nails hard, we're feeling fearful as we don't know if our waist banging on the water level would be exposed to the surroundings but I

erased such thoughts and banged the cute Papi I nailed her without any bounds.

「Ah, aaahn~. Onii-san, intense...amazing, Onii-san is amazing」

「Papi also sucks my penis hard. What's wrong? It's shutting so hard?」

「Because, becauuusee! Onii-san is too sturdy...nnna. If you do that much anyone would fall for you」

She said something nice. I embraced her tightly and take spurt to release. Papi who sensed it embraced me even tighter, She clings to me strongly not wanting to let go.

「Here we go, Papi」

「Come...Haahaa. Onii-san's...I want Onii-san's semen!」

「Cumming!」

「Ah, Aaa—. It's coming in. Onii-san's thick sperm is coming inside my stomach. nnn. It's hot. My baby room is being pleased, haahaa, I'm happy」

「Same here」

「I love you!」

Our lips gently stacked. We spend our time together relaxingly while being shaken by the wave. I want to stay like this forever. The pleasant waves and wind stroked us.
